

New Life Christian School – Ala Carte Classes

To better serve families of the Columbia Basin with greater access to Classical Christian Education, New Life Christian School is opening classes in grades 7-10 on a per-class basis. The arrangement allows students to benefit from individual courses in specific areas of interest.

Upon acceptance, the student is considered a New Life Christian School student and held to the same expectation of a full-time student, including uniforms, assignments, attendance, behavior, and participation expectations.
