## JOB LISTING

Due to a projected increase in enrollment, the Board is looking to break out the 1st and 2nd grade combo-class into their own separate classes. With this in mind, the Board will be looking for a full time teacher for 1st grade for the 2021-22 academic year. We like to offer these positions to our school community before offering them to those outside. If you are interested in applying, please read the job description below and consider picking up an application at the office.

New Life Christian School is seeking a full time teacher for our 1st grade position for the 2021-2022 school year. The ideal candidate is one who is passionate about Christian education, has a bachelor's degree, preferably in education, and has at least two years of prior teaching experience. Such a candidate should love the Lord with all their heart, soul, mind, and strength and also delights in leading elementary students to learn and discover His world. They also need to be a self-starter, teachable, excellent at time management, have strong classroom management skills, flexible, and able to work well in a team.
