AUCTION NEWS

We have exciting news about our largest annual fundraiser! We've set a date and have a location. As you know, with current COVID guidelines, planning an event such as this is a challenge!

Date: April 24, 2021

Location: Hidden Meadows

We are planning an outdoor, in-person event where we can ensure fellowship and adequate spacing of our guests. We need your help to make this successful. Everyone benefits from the fruits of this event, as about 25% of our annual budget is funded by this event.

Join us at our **next Auction planning meeting on February 23, 2021, at 6:00 PM at the school.** If you can't join us at our planning meetings there are still many ways to help including:

- Soliciting donations from the community
- Inviting friends, families, and community members to the event
- Continued prayers that the Lord is magnified by this event and it's a blessing to our school

If you have any questions, please contact Aimee Dubbs at 425-241-4117.

2021 - 2022 Tuition and Re-Enrollment:

NLCS is now re-enrolling students for the 2021-2022 school year. The Board desires to plan and ensure efficient use of our resources and re-enrollment earlier in the year helps to facilitate this. The re-enrollment fee is \$150 per student and is due by March 12, 2021, to ensure a spot for the 2021-2022 school year. After that date, enrollment is open to the community and classes are filled on a first come first serve basis. If you decided to re-enroll after that date, and there are seats available in the classroom, the fee increases to \$225 per student.

In a desire to be transparent, the Board is also providing a draft tuition schedule for the 2021 - 2022 school year. These will be the tuition rates the Board puts forth to parents for approval at our annual Society meeting in May (date to be determined). We remain committed to ensuring tuition being no more than 10% of a family's income.

With the earlier re-enrollment, we are also opening our Tuition Assistance program earlier. The FAST application process will open on March 13 and applications for continuing families are due on June 1. Financial aid decisions will be announced by July 1. As a reminder, your account must be current for financial aid to be awarded.

The tuition contract for the 2021-2022 school year is also attached so you are aware of discounts and the financial commitment.
