**BLACK and GREEN GALA NEWS:**

The Black and Green Gala, NLCS's largest fundraiser, is coming up quickly! Tickets for the event go on sale next week. We need your help planning the event and helping gather donations. The Black and Green Gala is on March 11 at the Community Church of Ephrata.

In your folder is a donation information form. We ask that every family participate in gathering donations for the Black and Green Gala. Additional donation forms are available in the office or on our website (<https://newlifeephrata.com/pdf/2023-auction-donation>). If we all come together, we can make this a successful event that will honor God, bless New Life, and help to keep tuition as low as possible.

If you're interested in helping to plan the event, we have an auction planning meeting scheduled for Monday, January 23, at 6:00 at NLCS. All are welcome to join us!

**KINDERPREP NEWS:**

The Board is evaluating bringing back the KinderPrep program to NLCS. With this in mind, we want to ensure that if we bring back the program, it meets our community's needs and that it's a financially sustainable program. Below is a link to the survey for you to complete if you are interested in the KinderPrep program. We'll also be sharing this on our Facebook page. If you know of others interested in the KinderPrep program, please share the survey link with them. We intend to make a decision about moving forward with this program at our February Board meeting. Please continue to watch NLCS News for additional information.

We look forward to continuing to meet the needs of our community, partnering with parents to classically educate generations of students with academic rigor and a Christ-centered worldview to shape culture and cultivate servant leaders.
