*And we know that in all things
God works for the good of those
who love him, who have been
called according to his purpose.*

Romans 8:28

GRANDPARENTS DAY - September 29th

We are excited to celebrate Grandparents Day on Friday, September 29th with all of the "Grand" people in our lives! Invitations are enclosed in today's folder. Be sure to get those out, so that our "Grand" people can come and be a part of the fun things that we have planned for them! Let us know if you need more invitations and we would be happy to provide them for you.

UPPER SCHOOL FUNDRAISER GARAGE SALE - September 23rd

The NLCS Upper School students will be hosting a fundraiser garage sale on Saturday, September 23rd from 9 - 2 pm. The funds from the garage sale will go towards the 2024 Protocol events. If you have items that you would like to donate, please drop them off at the school. Thank you!

WELCOME!

We'd like to introduce some of our new staff to you:

Anya Grieser

It is my honor to teach music for K-4th Grade this year. I'm from Minnesota, earned a Bachelor of Music in oboe from Roosevelt University, then married my husband Winston and moved to Moses Lake, where he is a pastor, and we are raising our 3 children, Annabelle, Kurt, and Holly. I enjoy cooking and listening to classical and sacred music.

Kirk Youngers

Hi, my name is Kirk Youngers. I am a farmer and own my own pump and electrical business. I am currently building a new home on my farm which is the realization of a lifelong goal of mine. I raised four wonderful daughters who are my world and they also attended NLCS as elementary students. During that time God began a work in my heart through my daughters' attendance here and also as a board member of the school. That work was the life changing experience of having a personal relationship with Jesus Christ my Lord and Savior. It just seems so fitting that now, 25 years later, He would call me back to NLCS to be a teacher! I am so excited and truly honored to have the privilege and high honor of teaching your precious children. I can't wait to roll up my sleeves and begin teaching science!

LUNCHROOM NEWS

We would appreciate it if you could please send a self-contained lunch with your child. If their lunch requires a plate, cutlery, napkins, etc., please try your best to send those supplies with them in their lunch box, as we have a limited supply at the school. Thank you for understanding!
If you'd like to make a donation, we currently have a low supply of spoons.
