**Cold & Flu Season is here**

In order to prevent the spread of different flu bugs, please keep your child home if they are running a fever of 100.4 degrees Fahrenheit or greater; have thrown up within the last 24 hours; or have a barking cough.

**IMPORTANT:** They must be fever-free, vomit-free, etc., with no medication, for 24 hours before returning to school. Additionally, they may return to school after 24 hours of taking prescribed antibiotics, provided they have none of the above symptoms.

If they are ill or won't be attending school for any reason, please call the office to let us know. Thank you!
