Feed the Need - Kick Off Event - Save the Date

If you've been around for the last few months, you know we've been talking about Feed the Need! We're excited to be putting on a new fundraiser that will allow NLCS to Feed the Need locally and globally and simultaneously raise money to support NLCS! As part of this fundraiser, we will pack 10,000 meals to distribute to our local food banks and locations globally. We will hold our kick-off party on the evening of Tuesday, October 15, and pack the meals on Thursday, November 14, during the school day. The board and PVC are partnering on this fundraiser, which will replace the annual fall raffle. We are so excited to see how we can serve others while supporting NLCS!
