**LIBRARY NEWS**

Hello! This summer, we will have the NLCS library open each Wednesday from 9 to 12, starting on June 14th. We will be doing a fun summer reading challenge, "Reading in 100 Places!". We will have more information on this as it gets closer! Your child will sign up before summer starts so we can get an idea of how many will be participating. You are not required to come into the library each week to do the challenge, but we would absolutely love to see you! There will be a grand prize for those who complete the entire challenge by the end of summer, as well as an ice cream social at the library for all those who participate (more details TBD). Each Wednesday there will be a literary themed craft and story time with Miss Latimer! We are so excited to spend this summer reading with you!

In mid June, I am hoping to redo some of the library shelving to make more space for seating for students and make finding books easier and more accessible, especially for the younger students! If anyone is able to help move the 2 large wooden bookshelves in the corner out of the library, that would be wonderful! I am also hoping to replace the smaller shelves with some front facing shelves/shelving so the front of the picture books are easily seen. If anyone would like to help/donate to contribute to this, that would be wonderful! And if anyone has suggestions/ideas for how to best do new shelving and utilize the space better, please let me know - I would love to hear them! Thank you!

For those who can't always make it to the library during the summer but would still love to check out books, Mrs. Heer will be driving her bookmobile every other Wednesday during the same library hours to student's homes! If you would be interested in this, please contact Mrs. Heer for more information!
