God is father

How great is the love the Father has lavished on us, that we should be called children of God! And that is what we are! The reason the world does not know us is that it did not know him.

SPRING CONCERT & SCIENCE FAIR - May 21st

The Spring Concert will be held at the Community Church of Ephrata (54 K Street S.E.), beginning at 6:30 p.m. Students should arrive by 6:15. Girls may wear spring dresses or Chapel clothes. Boys may wear slacks and button-down shirts or Chapel clothes. No jeans, please.

The Science Fair projects will be set up in the school gym from 3:00 - 4:00 p.m. so parents and younger students can walk through the displays. The students with projects are encouraged to stay by their projects during this time.

The projects will then be moved to the Community Church for display.

The doors at the Community Church will open at 6:00 p.m. and families can look through the projects both before and after the concert.

PVC News

PVC is looking for volunteers to help with Pizza Thursdays for the upcoming 2026–2027 school year!

For the past two years, Sean and Chara Hammond have faithfully organized Pizza Thursdays twice each month for our school. They have done an amazing job, and we are incredibly grateful for their time, dedication, and commitment to serving our school community. Thank you Sean and Chara! As they step down from this role next school year, we are looking for volunteers to help continue this fun tradition. This is also a great way to complete your volunteer hours while supporting our students and school!

If you are interested in helping coordinate Pizza Thursdays, please reach out to Heather Hayhurst at 206-719-4590 - we would love to have your support!

Plans are underway for the NLCS last day of school celebration. This year we will be wrapping up the school year with an all school gathering at Splash Zone in Ephrata. More details will be coming soon, so watch the newsletter for updates!

When planning for the event, please keep in mind that all girls and ladies will be asked to have their midriffs covered (no bikinis). And if your student doesn't feel comfortable swimming, there will also be lots of "out of water" activities planned!

Washington DC Trip Meeting - May 26

All parents of current 5th & 6th grade students are invited to learn about an upcoming Washington DC trip scheduled for the spring of 2028.

Hello NLCS families!

This is a call to find and return any library books your family might have as it gets close to the end of the year! We are missing quite a few right now, so if you could please check all of the hiding spots a book might be I would appreciate that very much! All books must be returned by Thursday, May 28th! I will send out a summer library schedule soon as well!
