New Life Christian School Tuition Contract

Tuition represents most of the income used to cover the cost of educating our students. Once a family signs the Tuition Contract to attend New Life Christian School, the family has executed a commitment to pay the tuition balance in full and in a timely manner. Because the school will make annual budgets, teacher commitments, curriculum purchases, and other financial obligations based on the number of students enrolled in the school, tuition may not be canceled without two (2) months advanced notice. The parent/legal guardian will be responsible to pay tuition to New Life Christian School for the two months from the date the notice to withdrawal the student is given in writing to the Administrator. In the event of withdrawals due to job relocation that requires moving from the area, chronic student illness, unexpected loss of family income, this two month notice and payment of tuition may be waived by the Board.
