

Win-Win Program

New Student Referral Program Details

Word of mouth advertising is the best way to share and invite new families to enroll in New Life Christian School! We have openings in our classrooms that make it possible for you to introduce your friends to excellent Classical Christian education. We offer parents a limited time tuition credit if a new family enrolls as a result of their invitation.

This program benefits new and returning families:

- The new family will benefit from the same excellent Classical Christian school and education that your child currently receives.
- When a current New Life Christian School family brings in a new, Kindergarten through 8th grade student to NLCS, the current referring family and new family will receive a one-month tuition credit (up to \$517.00 value).

How the program works:

The current New Life family invites a friend or neighbor to apply for admission of their children to New Life Christian School. The referring family must complete the "Referral Program Verification" below. You may not receive tuition credit for the New Student incentive program and the Win-Win program.

The Referral Program verification must be submitted by the referring family (signed by both families) to the New Life Christian School office prior to the new student's first day of school to participate in the Win-Win Program. All students must be accepted by August 26, 2019.

Questions:

If you have questions about this opportunity please contact the office at (509) 754-5558 or e-mail nlcs@nlcs.us.
