

Win-Win Program

New Student Referral Program Details

Word-of-mouth advertising is the best way to share and invite new families to enroll in New Life Christian School!

We have openings in our classrooms that make it possible for you to introduce your friends to excellent Classical Christian education. We offer parents a limited-time tuition credit if a new family enrolls because of their invitation.

This program benefits new and returning families:

- The new family will benefit from the same excellent Classical Christian school and education that your child currently receives.
- When a current New Life Christian School family brings in a new student to NLCS, the current referring family will receive a one-month tuition credit (up to \$578 value). The new family's supply and curriculum fee is waived (up to \$300 value).

How the program works:

The current New Life family invites a friend or neighbor to apply for admission of their children to New Life Christian School.

The Referral Program verification must be submitted to the New Life Christian School office before the new student's first day of school to participate in the Win-Win Program. **All students must be accepted by August 23, 2023.**

Questions: If you have questions, please contact the office at (509) 754-5558 or e-mail nlcs@nlcs.us.
